

COOKIE POLICY OF WWW.COSTFER.NET

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

What is a cookie?

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

Consent to receive cookies

By continuing to browse our website, you are agreeing to our use of cookies.

You may refuse to accept cookies by activating the setting on your browser which allows you to refuse the setting of cookies. However, if you select this setting you may be unable to access certain parts of our website or use certain functionalities.

Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you log on to our website.

What are the cookies doing and why?

We may collect information about your computer, including where available your IP address, operating system and browser type, for system administration and usage reporting.

This is statistical data about our your browsing actions and patterns, and does not identify you.

Cookies enable us:

::: To store information about your preferences, and so allow us to customise our website according to your individual interests.

::: To carry out research and development.

::: To recognise you when you return to our website.

Types of cookies

We use the following types of cookies on our website:

::: Strictly necessary cookies. These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.

::: Analytical/performance cookies. They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

::: Functionality cookies. These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
